arrival at transport trucks of the processor

Please refer to ASC web site www.asc-aqua.org for the full list of product groups covered by this certificate, as the most up-to-date source of information for the certificate and scope.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents.
